Professional Strengths

- Enthusiastic learner and adaptable to new technologies
- Self-motivated and optimistic approach to problem solving
- Strong communication and collaborative skills

Certifications

- **Looker BI Certification – Desert Side Training Institute (1-Month Program)**
Completed training in **data visualization, dashboard design, and BI reporting** with hands-on practice in LookML and real-world datasets.
- **Power BI Internship – Divith Techno Solutions (2-Months, Recognized by APSCHE)**
Gained hands-on experience in **data modeling, dashboard creation, and business reporting** using Power BI for real-world scenarios.

- **Responsive Web Design Developer Certification – FreeCodeCamp (~300 Hours)**
Completed extensive training in **HTML, CSS, Flexbox, and responsive design principles** through practical projects and hands-on coding.
https://www.freecodecamp.org/certification/pulikallu_tharak/responsive-web-design
- **MERN Full Stack Development Training – Scinex Edu Group (Ongoing)**
Currently developing skills in **MongoDB, Express.js, React.js, and Node.js** with practical projects on full-stack web application development.
- **Data Analytics Training-Srivensy Technologies (Ongoing)**
Pursuing hands-on learning with **Excel, SQL, Python, and Tableau** to build skills in **data analysis, visualization, and reporting**.

Projects

Professional Beauty Parlour Website

- Developed a professional beauty parlour website, creating a detailed online presence for its services using HTML and CSS. Showcased meticulous attention to detail by **highlighting specific services and creating a clean, aesthetic design**.

Application Form

- Built a functional and interactive application form using HTML and CSS form and button elements. Applied knowledge of web **forms to create a user-friendly process for submitting detailed information**.

Personal Portfolio Website

- Created a personal portfolio website using HTML and CSS to display gained knowledge and project work. Designed and managed all content, including personal achievements and projects, to **demonstrate web development skills and professional branding**.
